GILEAD.
Mrs. Frank Coffin and little son
spent the Sabbath at Mr. Hart-
Coffin's.

Mr. J. W. Bennett and family
returned from their visit to the
west, the 23rd.

Miss Lena Peabody of Gorham,
who has been visiting at Mrs. D. C.
Lary's, left for her home the 23rd.

Mr. Eli Peabody thinks he has
one hundred and fifty bushels of
potatoes, large and small, forty
bushels of yellow corn, and fifty
tons of hay.

The trees and bushes are being
cut along the highway between
Lemuel Wheeler's and E. R. Ben-
nett's. The object is to avoid the
obstruction to the roads by snow-
drifts. The old fence is also giving
place to a new one.

Dr. Bunting will meet at his
home any who desire to consult
him as a physician. He is ready
also to go to the homes of our peo-
ple, both in village and in town, in
the daytime. He will not go out
in the night. He has no horse,
therefore beyond the village he will
expect to be carried from and re-
turned to his home.

By the courtesy of Mr. Albert
Bennett we are able to give some
items relating to the "Tavern," J. W.
Bennett, Proprietor. The main
building has a broad, pleasant
piazza, on the entire front and east
side. The lowest floor is occupied
by office, public and private dining
rooms, and parlors. These parlors,
handsomely furnished, are on the
west side of the building, with fold-
ing doors between them. There is
a fire-place in the front parlor, also
in the office. The front hall and
the private care beyond it separate
the public dining room from the
parlors. Passing to the second
story, we find eight sleeping rooms
and a bath room. This latter is
supplied with hot and cold water.
The first floor is warmed through-
out by a furnace. In the same way
the entire second story will be heat-
ed. In the third story we find seven
lodging rooms. The rear portion
of the tavern has been enlarged.
Its second floor gives five sleeping
rooms; its first a laundry and a
dining hall for Mr. Bennett's work-
men. This addition is at present
unfinished within, but completion
is not far away. Near the
tavern is "The Annex" for the
use of the employees. There is one
room where they may be together,
and also seven lodging rooms. A
livery and feed stable also forms a
part of the premises.

forty couples were present; a good
time is reported.

GORHAM, N. H.
C. M. Cole was in Berlin, Thurs-
day.

George Baird has his new house
nearly finished.

Dept. Sheriff Hamlin was in
Lancaster last week, on business.

Several from this place took in

is in the yard this week, having
been in Portland for repairs.

C. D. Strange has taken Fred
Sanborn's place as watchmaker in
the Gorham House Block.

Thomas Wright is clerking in
Barrett Bros' store while Wood-
bury Gates is in Lancaster.

There seems to be a smart chick-
en thief around this town, this fall.
A few nights ago 17 was stolen
from one roost at the Upper Vil-
lage; a few weeks ago nearly all of
Patrick Mullen's were stolen and
their heads cut off and nicely laid
along on his door steps.

The bridge opening at Shelburne
last Saturday, was a success—nearly
everyone from this place went
with teams or on wheels. The
first person to cross the bridge was
Martin Burbank, who acted as
marshall; the next was the Gor-
ham Brass Band, who cheered the
people on to the heights of excite-
ment. The third to follow was
the bridge committee; the fourth
was W. K. Aston's team and then
the throng of spectators crowded
across. Prayer was offered by
E. P. Greene, speeches were given
by James Simpson, W. K. Aston, A.
S. Twitchell, A. R. Evans, and E.
P. Green. Eighty-four teams
crossed, estimated with foot people
at 400 persons.

BUCKFIELD.
The Oxford County Medical As-
sociation meets at this place to-
day, according to report.

About forty members of the
chorus from this place attended
the Maine Music Festival in
Portland.

It is said that kind usage on a
return voyage of the ships crew
will many times save the officers
from arrest for sore abuse during
the voyage.

I was considerably interested in
Miss Wheeler's article on Martha's
Vineyard, having spent some time
there, once the home of my parents,
and grand parents.

Our railroad officials are very
condescending nowadays. A late
special for a few of the singers
that wished to come home Wed-
nesday night was furnished, get-
ting home about 2 o'clock, Thurs-
day morning. Thursday, the
faithful were furnished free tickets
to Rumford Falls to buck against
the proposed railroad across to
Bryant's Pond. Those who wished
to return the same day were fur-
nished a special train.

Buckfield is somewhat stirred
over a diphtheria epidemic. The
trouble has been the uncertainty
or unwillingness on the part of
some to give it a name. Out of
perhaps ten people three children
have died; a pretty large per cent.
The last one to die was a young
son of Mr. and Mrs. Henry Nulty
on Thursday, and it is finally de-
cided that diphtheria is the plague.
Schools are closed, yet no quaran-
tine is in force.

ANDOVER.
Mrs. R. Penley has engaged to
travel with a doctor and family, the
ensuing winter.

Newell S. Godwin has had an ad-
dition of twenty-eight feet put on
to the fifth of his house, making in
all fifty-six feet, a much needed
improvement for wood, carriages,
etc.

Harry M. the son of Frank P.
Thomas, met with a fearful acci-
dent while out hunting. He was
in a boat alone, a few rods from
the shore, and while in the act of
raising his gun it discharged, indic-
ating a severe wound in his right
arm. He managed to get to the
shore and was taken to his home
as soon as possible. Three doctors
were summoned and under the
skillful treatment of Dr. Hill his
arm will be saved.

GROVER HILL.
Elmer Lyon of Auburn was in
town, Sunday.

Mr. Wheeler sold some apples to
R. R. Mayberry.

Sewer Walker has a crew cutting
timber for W. W. Hastings.

Charles and Edward Lyon are
enjoying a short vacation here.

Misses Marian Bennett and Win-
ifred Browne, are at home, enjoy-
ing a two weeks' vacation before
commencing winter terms of
school.

Fatal Shooting at Gorham, N. H.
[SPECIAL TO THE NEWS.]
Gorham, N. H., Oct. 26.—This
morning about 4.30 o'clock, Wil-
liam Monehan while under the
influence of liquor, shot and in-
stantly killed Joseph Gauthier.
Later in the morning Monehan
shot Will Thoit of Shelburne, and
selectman, Gates of Gorham.
Monehan is known as a village
loafer, and heavy drinker, when
he could get liquor to drink. He
entered the Grand Trunk yard,
where Gauthier, a French Cana-
dian was employed, and had some
words with Gauthier, although the
other employes state that it
could hardly be called a quarrel.
Monehan left the yard and Gauthier
and a fellow employer by the name
of Barrett, went to their
bunks in a shanty near the track.
About 4.30 Monehan returned and
entered the shanty with a double-
barrelled shot gun, and aiming it
at Gauthier, who was lying in his
bunk demanded him to get up,
which he did in great haste; no
sooner had he succeeded in putting
on his clothes than Monehan
commanded him to hold up his
hands; Gauthier obeyed as before.
At this point Barrett, who says
he was almost frightened out of his
wits, informed Monehan that he
was going too far, whereupon the
madman discharged the contents
of one barrel and Gauthier fell
Barrett instantly dodged behind
the murderer and fled. Fearing
that the murderer might search
for him he kept concealed until
daylight and then notified Se-
lectmen Woodbury Gates and Irving
Fogg, who started in pursuit of
Monehan. He was found near the
Church street crossing, and as
Gates stepped toward him he was
shot in the neck. Fogg at once
grappled with the murderer and
succeeded in disarming him and
holding him until assistance came.
Sheriff Hamlin shortly arrived
and took the murderer into cus-
tody. As he was taken away he
made several boasts that he had
taken three bloods that morning.
Surprised at this boast, the crowd
began to search for the third and
soon found the lifeless body of Will
Thoit who had just come from
Shelburne to Gorham to work.

Gates was taken home at once
and doctors summoned, who pro-
nounced him in a critical condi-
tion and recovery doubtful. Mon-
ehan was arranged before Judge
Rich of Berlin, and committed to
jail without bail.

Wed. A. M.—We are wired this
morning that more definite infor-
mation has been obtained concern-
ing the murder of Thoit. It ap-
pears that there was an eye wit-
ness to the deed, who states that
he was some distance away and
did not hear any conversation, but
saw Monehan shoot Thoit about
5.40 yesterday morning.

We are also informed that
Gates' condition this morning is
much improved, he having re-
gained his senses, and the doctors
think his chances for recovery are
good.

The Poisonous Acids
In the blood are the direct cause
of Rheumatism. There is no prepa-
ration so effective in driving out
these poisons as Dr. Drummund's
Lightning Remedies. They have
received the unsolicited endorse-
ment of the highest medical
authority, and testimonials from
every state. If your druggist has
not got these remedies, do not take
anything else. Describe your case
in a letter to the Drummund Medi-
cine Co., New York. Agents
wanted.

Forty Barrels per Day
Was the work of a rheumatic
cooper after using two bottles of
Dr. Drummund's Lightning Rem-
edies. He could do no work before
he began the treatment. Not
exactly a miracle, but a wonderful
recovery. The internal use of
this double preparation drives the
disease from the blood, while the
external restores stiff joints, draw
cords, and hardened muscles. If
your druggist has not got it, write
to the Drummund Medicine Co.,
New York.

Do It Yourself.
You can tell just as well as a physician
whether your kidneys are diseased or
healthy. The way to do is to take
a bottle of glass tumbler, and fill it
with urine. If there is a sediment—a powder
like matter at the bottom after stand-
ing a day and night, there is something
wrong with the kidneys. Another sure
sign of disease is a desire to urinate often
and still another sign is pain in the back.
If urine stains linen there is no doubt
that the kidneys are affected.

Any and all diseases of the kidneys,
liver, bladder and of the urinary passages
and constipation of the bowels are cured
by Dr. David Kennedy's Favorite Rem-
edy. This is a question about its being
the best and surest medicine in the world
for such troubles. It quickly relieves and
cures inability to hold urine as people
young or old, who take it are not com-
pelled to get up a number of times dur-
ing the night. For putting an end to that
saddening pain experienced in passing
urine, nothing is so good as Dr. David
Kennedy's Favorite Remedy. It corrects
the bad effects of whiskey and beer, is
pleasant to the taste, and does not seem
to be medicine at all. Diseases of the kid-
neys and bladder often require the use
of instruments to pass the urine, and
matter so the urine can be voided. In
such cases Favorite Remedy should be
taken without further delay or the dis-
ease may prove fatal. It is sold for one
dollar a bottle at all drug stores. It is
well worth many times its price.

SAMPLES FREE.
If you wish to test Dr. David Kennedy's
Favorite Remedy before buying it, send
your full post office address to the Dr.
David Kennedy Corporation, Rondout,
N. Y., and mention this paper. We will
then mail you a sample bottle free, as
well as circulars giving full directions
for its use. Every reader of the News
can depend upon the genuineness of
this liberal offer, and all sufferers from
kidney troubles, should take advantage
of it at once.
